DREAM AURA

YOUR HOME, YOUR DREAMS, YOUR DESIRE.

What do we really look for in a home? It's more than just four walls and a roof above our heads. It's about a dream to be built. Introducing DREAM AURA, the blissful realm that not only fills your life with grace, but transcends it. DREAM AURA rests on the blooming suburb of Vasai, which is one of the upcoming property destinations. Having excellent connectivity to major hubs, it also treasures the scenic beauty of green open spaces. DREAM AURA provides an excellent opportunity to be at the centre of all the excitement of the city. It is an absolute haven to not only live a life of your dreams, but to transcend it.

QUALITY IS THE BEST ALTERNATIVE.

It is easy to fall in love with the apartments at DREAM AURA residential apartments that are designed to maximise the joy of living. The 2 and 3 bedroom residences epitomise contemporary living by utilising the latest in architectural thought. The intricately planned efficient homes are complete with premium finishing and high end sanitary fittings. The large windows ensure continuous ventilation in all the homes, and the positioning of the flats let in ample daylight. After all a well-lit, adequately ventilated home nurtures a pleasant lifestyle.
